P.O. Box 678, Spokane, WA 99210

“The Best in the Inland Northwest Since 1960!”

Dear Members, Friends, Alumni, and Supporters of SSRA:

We are preparing to host our 2008 Spring Golfing Fun Day. It is our final SSRA fund raiser of the season. The event will be held at the Indian Canyon Golf Course on June 14th, with a shotgun start going off at 1:00 pm and a meal after.

You have supported us in the past in many different ways and for that we are extremely grateful. Without the support of our many members, friends, alumni, and supporters like you, we would not be able to provide the extraordinary program we operate for the low cost that we are able to charge.

The purpose of this letter is to once again ask for your support and to invite you to play golf in this fun event. Entry fees are only \$75 per person and include the use of a cart and a lunch. In addition, we always need sponsors for the holes. If you would like to sponsor a hole or if you know someone who might, let us know. We will set you up with your own hole or we will contact whoever you think may be a prospective sponsor.

The funds we earn at this and our other fund raisers, allow us to keep our tuition rates affordable. In fact, tuition would be nearly forty percent higher in order to cover our costs of operation without the generous efforts of many, like you. The funds raised also help us to keep our equipment (such as timing gear, radios, drills, gates, fencing, and the like) up to date and in good repair. Of course, we also use funds to hire and maintain the best coaching staff in the Pacific Northwest. By doing these things, we can attract the best athletes, regardless of their financial circumstances, and we can provide the best training and racing opportunities.

Thank you for your continued support. Enclosed is an entry form for your convenience. Fill in the information for one or more golfers. Complete your own foursome or the host committee will match up your listed player(s) with other players to make up a foursome.

Thanks again for your support.

Sincerely,

Mike Ramsden
President of SSRA

Chuck Holcomb
Program Director of SSRA
