

## SPOKANE SKI RACING ASSOCIATION

### 2009-2010 FAMILY VOLUNTEERING FORM

To maintain the inclusive and competitive nature of SSRA, significant volunteer efforts are required each year, from each member family of SSRA. In fact, SSRA has a proud history of volunteerism that has set our organization above others.

SSRA is a 501-c(3) not-for-profit organization. Annually, SSRA budgeted expenses are covered by the following income percentages, approximately:

Athlete tuition	60%
Fundraiser and Race Events	40%

It is easy to see how much tuition is subsidized by volunteer-driven events!

Please indicate which days you can volunteer. While many families volunteer in each fundraiser and for each race, not every family can do so. However, each family is asked to volunteer for at least five volunteer-days; with three being race days. If you are a new SSRA family this year, you are asked to volunteer for three days.

#### *How are the days counted?*

Any adult who contributes a day of volunteering counts as a volunteer-day. So, having a mom and dad both work on one race day counts as two volunteer-days! Also, many folks ask friends to help out. These count towards your days as well.

#### *What else should I know?*

On race days, each on-hill volunteer is given a lunch, a lift ticket, and a lift ticket voucher for another day!

#### *What if I simply do not have time?*

You can exercise the volunteer buy-out option (\$500 for returning members).

Please contact appropriate chairpersons to volunteer for specific events and efforts. Until the fundraising committee event chairpersons are named, feel free to contact Chuck.

### **Race Committee**

The SSRA race committee is experienced and continuously looking to educate newcomers! The fall officials clinic takes place in October. This is a great way to get started and learn about working a race. And, SSRA in-house training is a primary way that expertise is passed on in a variety of roles. In other words, you will be trained!

In total, it takes at least 75 volunteers for each race day! The following individuals will help you get involved:
